

Coach House 24 | £100 000

Woodland plot

Pitch Fee £8 000 plus VAT

This home offers sleeping space for six guests, spread over a master bedroom and two further twin bedrooms. These twin rooms could be arranged with double beds. There is an en-suite off the master bedroom and a family bathroom, all in excellent proportion for family living. There is plenty of storage space and bags of natural light.

When you can sleep six you need the living space to go with it, and this home is well proportioned to offer great socialising. The open plan kitchen opens out onto the dining space and living area. To follow this through, the deck (replaced 3 years ago) is a perfect outside room for outside dining and entertaining. You might consider adding a hot tub or a wood burner.
